## **COMPUTER RECYCLING EVENT IN MACOMB COUNTY**

**WHAT:** The Macomb County Board of Commissioners, Dell and the state of Michigan are offering consumers a free one-day computer recycling event, in partnership with the Michigan departments of Environmental Quality and Information Technology.

**WHEN:** 9 a.m. to 3 p.m. Saturday, Oct. 15

**WHERE:** Freedom Hill County Park, 15000 Metropolitan Parkway, Sterling Heights, just east of Schoenherr Road.

**VISUALS:** Local community leaders and Dell representatives participating in the event and recycling their own computer equipment (10:30 – 11:30 a.m.). Local volunteers unloading and stacking unwanted computers from area residents.

### **BACKGROUND:**

Any make or model of computers and related equipment, including monitors, printers, scanners, keyboards, mice and laptops will be accepted. All data should be removed from the computer. Items NOT accepted include televisions, stereo equipment, cell phones and appliances. When possible, equipment will be refurbished and reused, but cannot be considered a donation through this event. No receipts will be given.
